

Eggs in a nest

Here's an egg in a nest in a tree.
What's inside? What can it be?
Peck, peck, peck,
Peep, peep, peep.
Out hatched a little bird, (poke finger through)
Cute as can be! (wiggle finger)

Here's an egg in a nest in a tree.
What's inside? What can it be?
Peck, peck, peck,
Peep, peep, peep.
Out came a second bird (poke finger through)
Wiggling free! (wiggle finger)

Here's an egg in a nest in a tree.
What's inside? What can it be?
Peck, peck, peck,
Peep, peep, peep.
Out hatched another bird, (poke finger through)
And now there are three! (wiggle fingers)
