What are the 6 words found at the Mouse Print frame? Write the words in the magnifying glass and search for them in the Word Search. There is one word that is not in the word search. Which is it?

Cheese Review

What kind of cheeses did you taste?

Which was your favorite cheese?

Which was your least favorite?

What is one new thing you learned about cheese?

the | Rodent's Gazette

Today's News

The great cheese trophy has been stolen! It's up to you to follow the clues to find out who the culprit is and where the trophy is hidden.

Look above for a colored dot then below on where to start:

*PINK: mouse ears station

*BLUE: Crime Scene, page 2
+ cheese review

*YELLOW: Crossroads, page 3
+ photo booth

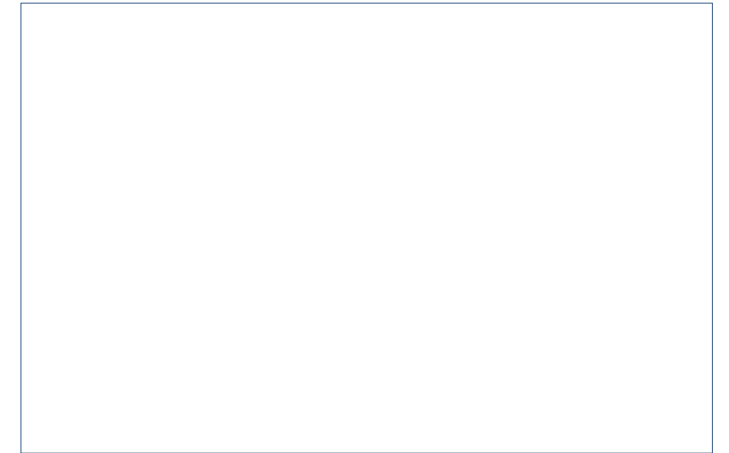

Add your photo here!
You can get your picture at the photo booth.

This mouse detective is on the case! The detective's name is _____

Breaking News!

Footprints have been found near the crime scene.

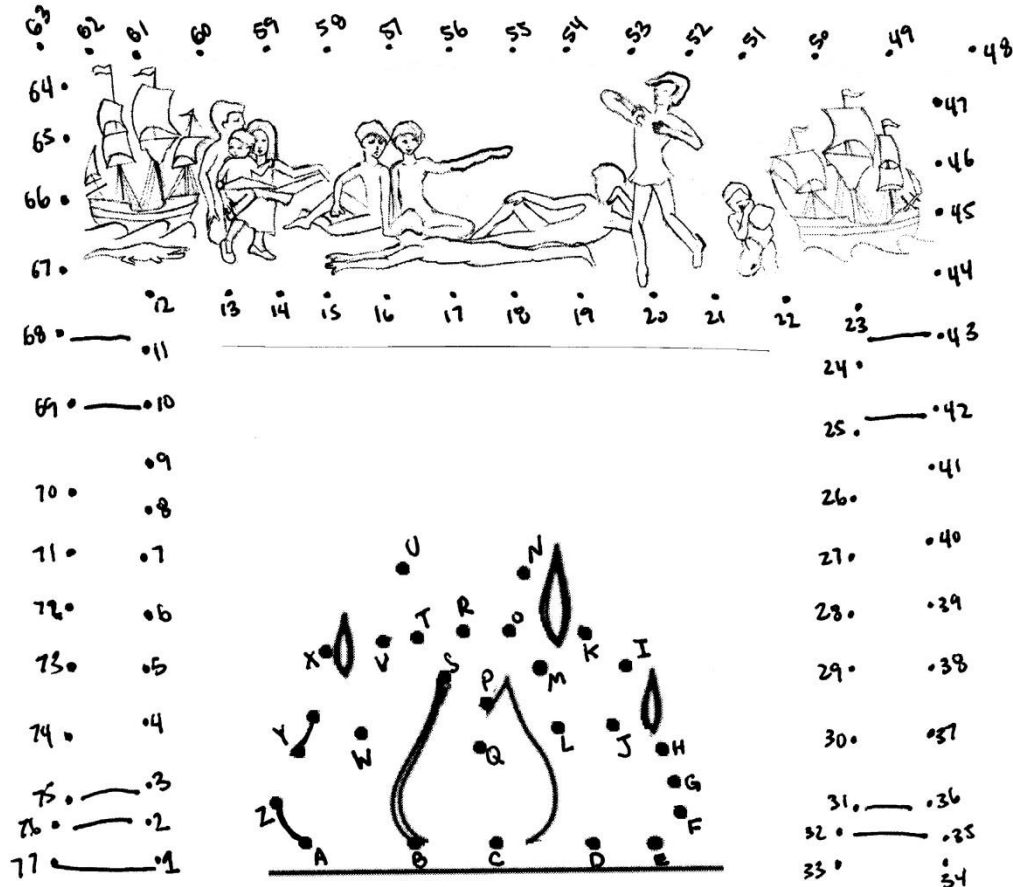

Draw the footprints at the crime scene (hint: the crime scene clue is on page 2). Then describe the footprints below.

According to my observations, I have decided that the footprints are too big to be _____ or _____, and too small to be _____ or _____. They look like...

Crime Scene

Connect the dots. It will reveal the crime scene. Do you recognize the place?

Where is it? _____

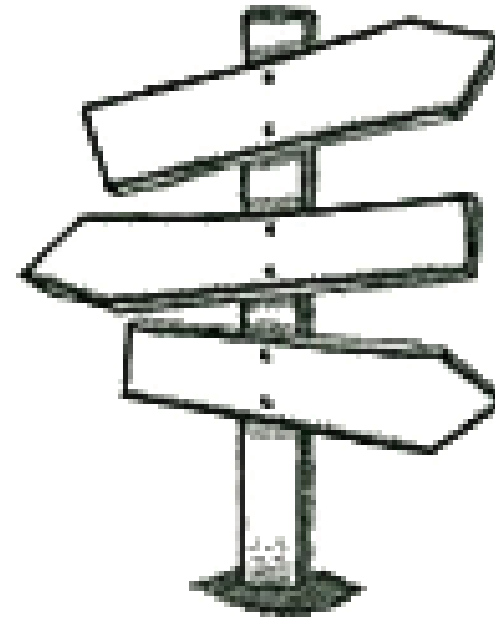

Collect the clues about your culprit here:

Paste your mouse ears clue here (pink)

Paste your Crime Scene clue here (blue)

Paste your Crossroads clue here (yellow)

The culprit is a _____ named _____ and the trophy is hidden at _____.

Crossroads:
Find the crossroads and write in the locations in order. Show it to the Mouse Gazette's staff and receive a clue.

Once you finish, go to the scene of the crime and receive a clue.
