Have you participated in any Young Readers League events or activities in the past? If so, which one(s)?

I understand that as a member of the Young Readers League Selection Committee, I will be expected to advocate, celebrate, and incorporate YRL-themed activities in my class and/or school, read the assigned books, attend the Selection Committee meeting, and give my honest opinion while discussing the books.

I understand that being a member of the YRL Selection Committee does not guarantee my school or class a visit from the author; however, if my school is selected to host an author visit, I understand that I will be the primary contact for my school, and that I will promote and organize the author's visit in partnership with Pasadena Public Library and/or Vroman's Bookstore.
